Step 4 – Due Diligence

1. Legal due diligence
2. Technical inspection
3. Environmental assessment
4. Verify property ownership and zoning compliance.

Step 5 – Negotiation

1. Negotiate purchase price and conditions.
2. Draft purchase agreement.

Step 6 – Acquisition Approval

1. Submit investment proposal to executive committee.
2. Obtain final approval.

Step 7 – Transaction Completion

1. Execute purchase agreement.
2. Register property ownership.
3. Transfer funds.

---

2. Property Marketing & Leasing

Roles

- Leasing Manager
- Marketing Team
- Property Manager

Work Instructions

Figure 3: Property Marketing & Leasing (explained below)

Step 1 – Market Positioning

1. Define target tenant segment.
2. Set rental pricing based on market analysis.

Step 2 – Marketing Preparation

1. Prepare marketing materials:
    - Photos
    - Floor plans
    - Property descriptions
2. Publish listings on:
    - Property portals
    - Company website
    - Social media

Step 3 – Lead Management

1. Capture inquiries.
2. Schedule property viewings.

Step 4 – Property Viewing

1. Conduct property tour.
2. Explain lease conditions and amenities.

Step 5 – Tenant Screening

1. Collect tenant documents:
    - ID
    - Financial proof
    - Business registration (if commercial)
2. Perform background and credit checks.

Step 6 – Lease Negotiation

1. Agree on:
    - Rental price
    - Lease duration
    - Security deposit

Step 7 – Lease Agreement

1. Draft lease contract.
2. Obtain signatures.
3. Collect deposit and first rent.

---

3. Tenant Onboarding

Roles

- Property Manager
- Facility Manager
- Tenant Relations Officer

Work Instructions

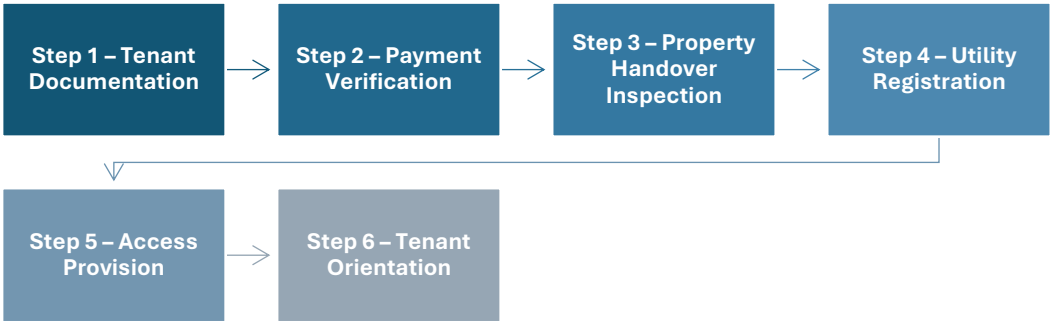

Figure 4: Tenant Onboarding

Step 1 – Tenant Documentation

1. Record tenant details in the property management system.
2. Upload signed lease agreement.

Step 2 – Payment Verification

1. Confirm receipt of:
    - Security deposit
    - First rent payment.

Step 3 – Property Handover Inspection

1. Conduct property inspection.
2. Document condition with photos.
3. Prepare handover report.

Step 4 – Utility Registration

1. Register tenant with utility providers:
    - Electricity
    - Water
    - Internet

Step 5 – Access Provision

1. Issue keys or access cards.

2. Provide building access instructions.

Step 6 – Tenant Orientation

1. Explain building rules.
2. Provide maintenance request procedures.

---

4. Rent Collection & Financial Management

Roles

- Finance Department
- Property Manager
- Accounting Team

Work Instructions

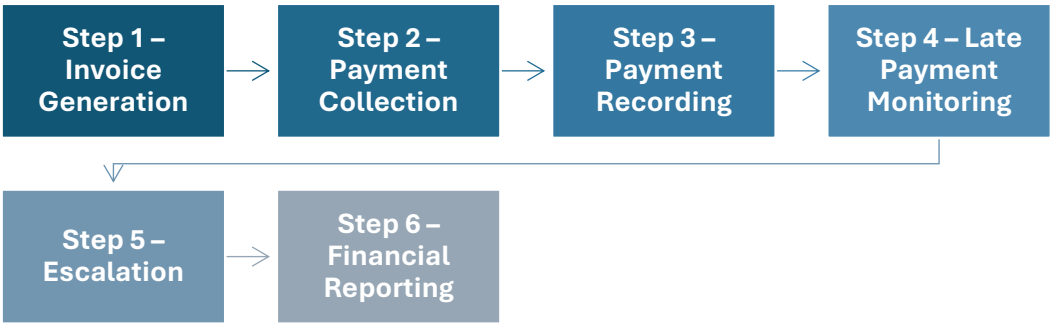

Figure 5: Rent Collection & Financial Management (explained below)

Step 1 – Invoice Generation

1. Generate monthly rent invoices.
2. Send invoices to tenants.

Step 2 – Payment Collection

1. Accept payments through:
    - Bank transfer
    - Online portal
    - Cheque

Step 3 – Payment Recording

1. Record payment in accounting system.
2. Update tenant ledger.

Step 4 – Late Payment Monitoring

1. Identify overdue accounts.
2. Send payment reminders.

Step 5 – Escalation

1. Issue warning notices.
2. Initiate legal action if necessary.

Step 6 – Financial Reporting

1. Prepare monthly financial reports.
2. Analyze property profitability.

---

5. Facility Maintenance Request Handling

Roles

- Tenant
- Facility Manager
- Maintenance Technician

Work Instructions

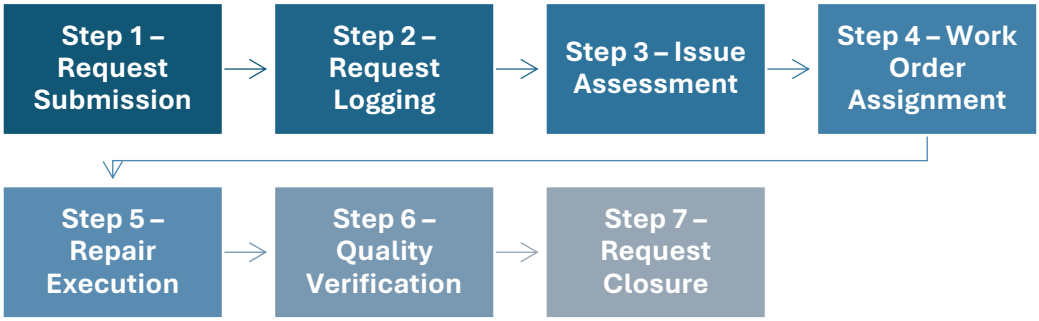

Figure 6: Facility Maintenance Request Handling(explained below)

Step 1 – Request Submission

1. Tenant submits maintenance request via:
   - Mobile app
   - Email
   - Phone

Step 2 – Request Logging

1. Create work order in maintenance system.
2. Assign priority level.

Step 3 – Issue Assessment

1. Facility manager reviews request.
2. Determine repair type:
    - Emergency
    - Routine

Step 4 – Work Order Assignment

1. Assign technician or contractor.
2. Schedule maintenance.

Step 5 – Repair Execution

1. Technician performs repair.
2. Update work order status.

Step 6 – Quality Verification

1. Facility manager inspects completed work.

Step 7 – Request Closure

1. Close work order.
2. Notify tenant.

---

6. Preventive Maintenance Planning

Roles

- Facility Manager
- Maintenance Team

Work Instructions

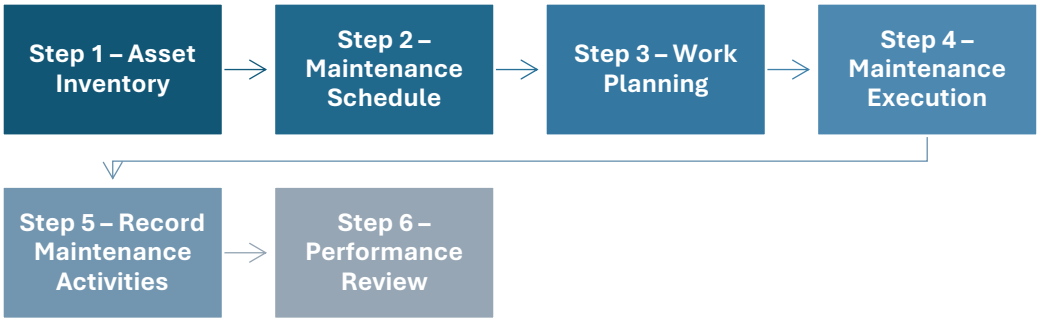

Figure 7: Preventive Maintenance Planning

Step 1 – Asset Inventory

1. Create inventory of all building assets:
    - HVAC
    - Elevators
    - Electrical systems

Step 2 – Maintenance Schedule

1. Define preventive maintenance intervals.

Step 3 – Work Planning

1. Create preventive maintenance work orders.

Step 4 – Maintenance Execution

1. Perform inspections and servicing.

Step 5 – Record Maintenance Activities

1. Document performed maintenance.

Step 6 – Performance Review

1. Analyze maintenance performance.

---

7. Vendor / Contractor Management

Roles

- Procurement
- Facility Manager
- Finance

Work Instructions

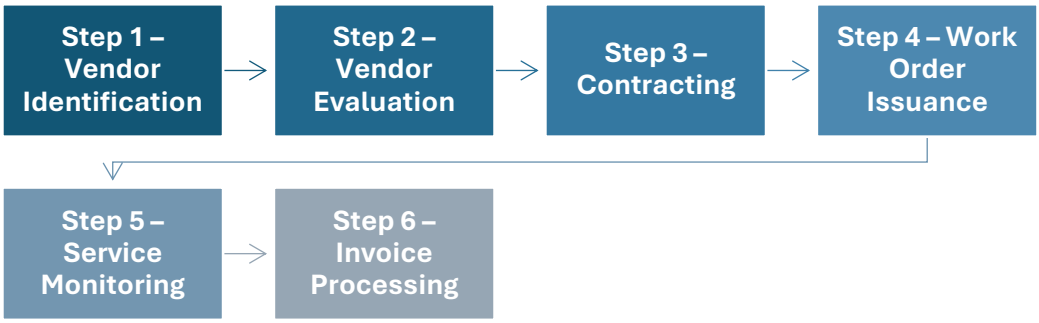

Figure 8: Vendor / Contractor Management

Step 1 – Vendor Identification

1. Identify qualified service vendors.

Step 2 – Vendor Evaluation

1. Evaluate vendors based on:
    - Price
    - Experience
    - Certifications

Step 3 – Contracting

1. Draft service contracts.
2. Define service scope and SLAs.

Step 4 – Work Order Issuance

1. Issue work orders to vendor.

Step 5 – Service Monitoring

1. Monitor vendor performance.

Step 6 – Invoice Processing

1. Verify vendor invoices.
2. Approve payments.

---

8. Tenant Move-Out & Property Turnover

Roles

- Property Manager
- Facility Manager

- Finance

Work Instructions

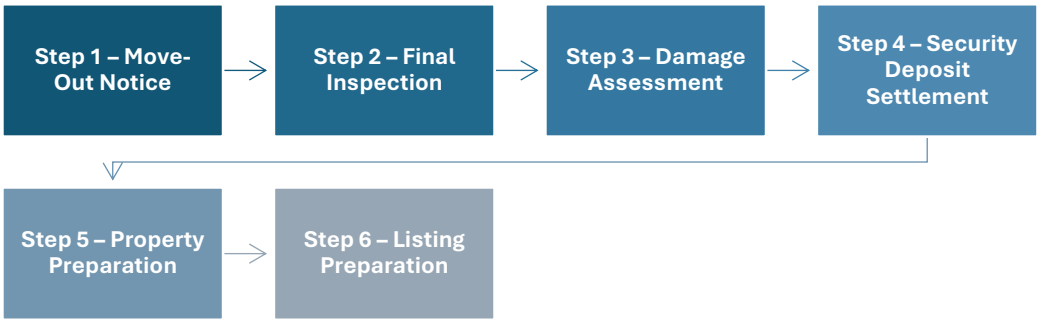

Figure 9: Tenant Move-Out & Property Turnover

Step 1 – Move-Out Notice

1. Tenant submits move-out notice.

Step 2 – Final Inspection

1. Inspect property condition.

Step 3 – Damage Assessment

1. Identify repairs needed.

Step 4 – Security Deposit Settlement

1. Deduct repair costs.
2. Refund remaining deposit.

Step 5 – Property Preparation

1. Perform cleaning and repairs.

Step 6 – Listing Preparation

1. Prepare property for new tenants.

Required forms and templates

A. INVESTMENT / ACQUISITION

- Investment Memo Template
- Property Evaluation Sheet
- Due Diligence Checklist
- Financial Model Template
- IC Approval Form
- Acquisition Checklist

B. LEASING

- Property Listing Sheet
- Tenant Application Form
- Tenant Screening Checklist
- Lease Agreement Template
- Lease Approval Form
- Viewing Report

C. TENANT ONBOARDING

- Tenant Information Form
- Handover Inspection Report
- Key Handover Form
- Tenant Welcome Pack Template
- Utility Registration Form

D. FINANCIAL

- Rent Invoice Template
- Payment Receipt
- Tenant Ledger
- Aging Report
- Payment Reminder Notice
- Financial Reporting Template

E. MAINTENANCE

- Maintenance Request Form
- Work Order Form
- Inspection Checklist
- Preventive Maintenance Schedule
- Asset Register

F. VENDOR MANAGEMENT

- Vendor Registration Form
- Vendor Evaluation Scorecard
- Tender Document Template
- SLA Template
- Contract Template
- Invoice Verification Form

G. MOVE-OUT

- Move-Out Notice Form
- Exit Inspection Report
- Damage Assessment Sheet
- Deposit Settlement Form
